Is voter registration information confidential?

The list of registered voters is considered public record and available to the general public in Utah. However, Utah law grants protections to voters who wish to not have their information publicly available. "Section 10" of the Voter Registration Form allows for a voter to protect their information from certain parties, while the section below (titled "How do I request additional privacy protection?") discusses additional privacy protections that are available to certain individuals. A few items remain confidential and are never provided to any requester: your social security number, your UT Driver's License number/UT ID number, email address, full date of birth, and your signature.

How do I request additional privacy protection?

In addition to the protections outlined in "Section 10" of the Voter Registration Form, you may request that identifying information on your voter registration records be withheld from all political parties, candidates for public office, and their contractors, employees, and volunteers, by submitting a withholding request form, and any required verification, with this registration form, or to the Office of the Utah Lieutenant Governor or a county clerk.

Who can submit a withholding request form?

- A person who is a victim, or is likely to be a victim, of domestic violence or dating violence
- Law enforcement officers
- Individuals protected by protective or protection orders
- Members of the armed forces
- Public figures who have a higher safety risk due to their celebrity status or prominent position (does not include elected officials)
- A person who resides with a person described in the bullet points above.

You can obtain a withholding request form from your county clerk's office or the Office of the Utah Lieutenant Governor, or you may download the form online at www.vote.utah.gov.

How do I vote if I'm a Utah resident but live outside of the state at the time of an election?

If you are a Utah resident who is actively serving military duty or currently resides outside of the U.S., complete "Section 8" of the Voter Registration Form to be eligible to receive a ballot by fax or email. If you are a Utah resident and would prefer to not receive your ballot at your primary residence, you can obtain an "Alternate Address Request Form" online at www.vote.utah.gov and submit it to your county clerk's office. This will enable you to receive your by-mail ballot at a separate address from your primary residence.
